1. CNC turning
2. casting machines
3. grinding and boring machines
4. honing machines
5. hydraulic parts
6. pneumatic parts.

**Request No: S-F7/09**

Pressure die-cast Alu

1. 'NA Halter' - generator bracket
2. crankshaft sleeve
3. pistons
4. sump

**Request No: S-G8/09**

Cast iron

1. engine block

**Request No: S-H3/09**

Forged Parts

1. crankshaft
2. camshaft
3. connecting rod

## Request No: S-C4/09

### Plastic:

1. thermal insulation
2. spacer plate
3. suction pipe
4. cover of engine head
5. water pipe
6. timing gear cover
7. wall oil

## Request No: S-B5/09

### Pressed parts:

1. brackets, holders

## Request No: S-A6/09

### Bent tubes:

1. Oil tube (stainless steel)
2. Return fuel line
3. EGR tube (stainless steel) - pipe flues from the intake manifold

## Request No: S-J7/09

### Governed parts:

1. All standardized parts (bolts, nuts, etc.)

## Request No: S-K8/09

1. Supplying of the construction of assembly lines and production tool replacement.
